Bureau of the Mint,

Washington, D. C.,

July 3, 1895.

Herman Kretz, Esq.,

Supt. U. S. Mint,

Philadelphia, Pa.

Sir:-

Application has been made through the Department of State by the Charge d'Affaires of Costa Rica, at this capital, that Engineer Don Carlos Yglesias, B.S.M.E.M., who has been specially commissioned by the Government of Costa Rica, be granted permission, and afforded all proper facilities to study and acquire a practical knowledge of coining and other operations as practised by the Philadelphia Mint.. It has been decided to extend this courtesy to the Government of Costa Rica, and this will be handed to you by Mr. Yglesias, and I have to request that yourself and the operative officers will afford him all proper facilities for acquiring the knowledge desired.

Respectfully yours,

  
Robert Morton

Director of the Mint.
